INTRODUCTION

The Food Service Department welcomes your requests for district-catered events. Our commitment is to provide top quality products and professional service so that every event is a successful one.

GUIDELINES FOR PLANNING YOUR EVENT

Before contacting the Food Service Office, you should decide:

- How many people will attend?
- Will it be a breakfast, luncheon or dinner?
- A buffet or a reception?
- Will the guests stand or be seated?
- What is your budget?
- Do you want hot food, cold food or both?
- What time of day?
- Is there a limited serving time i.e. 30 minute luncheon?

While every decision need not be finalized initially, the more information you, have the easier your planning will be.

Other things you need to consider – room reservation, special equipment needs. If your event is held after, regular scheduled food service hours or if your event is larger than normal, staffing can handle, labor charges will be additional depending on needs.

ADVANCED NOTICE FOR SERVICES

To insure product availability and adequate staffing all requests for services should be received according to the following schedule:

- | | |
|---------------------------------------|-----------------|
| - Coffee and simple requests | 48 hours notice |
| - Receptions – special order services | 5 business days |
| - Luncheons | 5 business days |
| - Dinners and Special Functions | 7 business days |

Last minute requests may result in additional charges depending upon the availability of products and labor. However, we will make every effort to accommodate your needs.

This is a general guide. If you do not see your needs listed, please give us a call so we can design a menu that works for your group. The Food Service Department is dedicated to making your function a success and is proud to be able to serve you. Call any time Monday through Friday at ext. 3143.
